

Medicare Coverage for People with Chronic Conditions

We all get sick.

Some of us can't get better.

I need Physical therapy, Occupational therapy, and Home care.

But are you improving?

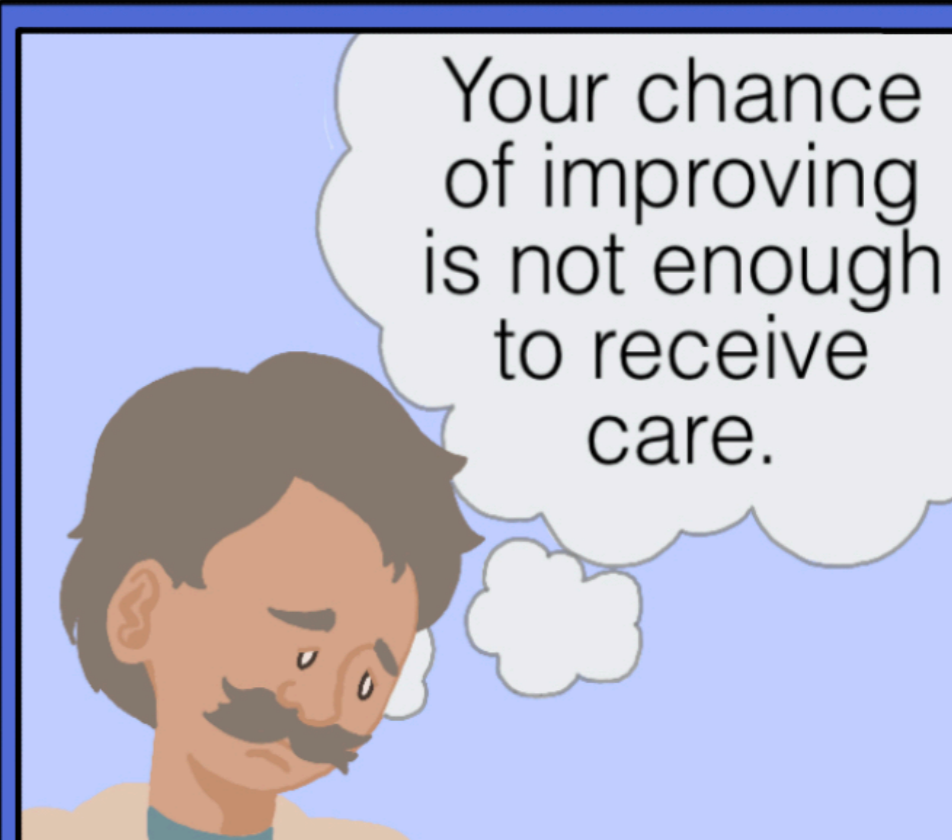

Some of us need more care.

Must be at least this healthy to receive care:

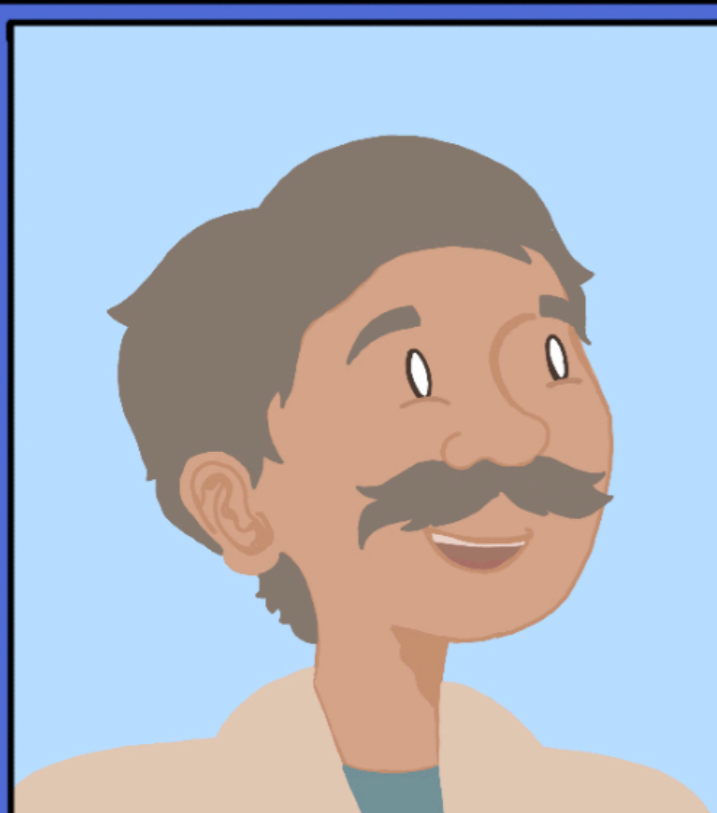

When we've been turned down,

Your chance of improving is not enough to receive care.

it can be tempting to just give up.

But there is another option!
